

**A Sure Way to
End Dandruff**

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.—(Adv.)

**SPANISH INFLUENZA
EPIDEMIC**

Shows Much Improvement, Yet
Many New Cases Reported Daily.

Many are finding relief from Influenza, Colds, Sore Throat, and perhaps preventing pneumonia. It is said, by the use of Antiseptic Oil (known as Snake Oil), which contains Turpentine, Camphor, Coal Oil, Oil Cloves, Oil Canola, Oil Cajuput, Oil Origanum, Oil Eucalyptus, Oil Wintergreen, and other valuable oils. Its great penetrating, pain relieving qualities insure almost instant relief when applied freely on the chest or throat well greased with Vicks Vapo-Rub. Antiseptic Croup and Pneumonia Salve when first symptoms arise. The oil penetrates through to the affected parts and tends to open up the air passages, making breathing more easy, relieving the pains. And for the cough a few drops on a little sugar usually brings prompt relief. Don't fail to have a bottle on hand when the attack comes on and if used according to directions results are assured, your money refunded. On sale at all druggists, 30c, 60c and \$1.00 bottles.

**HOW DOCTORS TREAT
COLDS AND GRIPPE**

Ask any physician or druggist and he will tell you that the best and only effective remedy for a bad cold, sore throat or a gripple is what he calls "a brisk calomel purge," which means a big dose of calomel at bedtime. But as the old style calomel has some very unpleasant and dangerous qualities, physicians and druggists are now recommending the improved, nauseous calomel, called "Calotab" which is purified and refined from the sickening and dangerous effects and whose medicinal virtues are vastly improved. One Calotab on the tongue at bedtime with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your diet, pleasures or work. Next morning your cold has vanished and your entire system is purified and refreshed.

Calotabs are sold only in original sealed packages, price 35 cents. Your druggist guarantees Calotabs by refunding the price if you are not delighted.—(Adv.)

**AVOID "FLU" AND
PNEUMONIA BY
STERILIZING NOSE**

London Epidemic of 1891
Proved OI. Eucalypti (Eucalyptine Salve) Is Most Effective
Preventive Known.

Get out your jar of Eucalyptine Salve or, if you have none, go to the nearest drug store at once and get a family jar of this well-known nose and throat sterilizer. Sterilize morning and night by sniffing the Eucalyptine up into the nostrils and back into the throat, whence it will spread to the larynx and tonsils, thus sterilizing the nose and throat.

**COULDN'T SLEEP;
APPETITE GONE**

Nervous and Restless and Kept
Getting Worse, Says Arkansas Lady. Cardui
Brought relief.

Marmaduke, Ark.—Mrs. Mary E. Hill, near this place, writes: "I was in a very wretched state of health. I would be in bed two or three weeks at a time . . . and would have fainting spells. I was so weak and, Oh! how my back hurt me. I was so nervous and restless I couldn't sleep—didn't have any appetite and kept getting worse. Every one was so uneasy about me."

I cannot exactly describe two awful spells I had . . . I had a shortness of breath and would smother at night. I couldn't move or cry out. I felt like I would die. My limbs would get numb and feel very uncomfortable. We used many medicines, and I didn't get better.

I had read of Cardui in the Birthday Almanac and had often heard that it was a good medicine. I began to take it according to directions and began to improve. I cannot praise Cardui enough. I have every reason to believe that it saved my life."

Tested and proven in every way by many women, over a period of more than 40 years, Cardui has attained its present high standing and popularity because of the satisfactory results secured from its use.

If you are weak and run-down, and need a good, reliable, tonic medicine, try Cardui. All druggists.—(Adv.)

**DEMOCRATS CONCEDE
206 TO REPUBLICANS**

**FORD AND NEWBERRY RUN.
NINE NECK AND NECK.**
Gains in House and States They
Come From—Claim Senatorial Victories.

Washington, Nov. 6.—At noon, the democratic national committee issued an official statement claiming that they had surely elected 217 members of the next house, conceding 206 to the republicans, and holding that 12 were doubtful. They also laid claim to 49 senators, conceding 37 to the republicans and holding 10 seats still doubtful.

The committee also announced that Henry Ford's managers are claiming his election as senator from Michigan by 10,000.

Representative Doremus, of Michigan, former chairman of the democratic congressional committee, wired democratic headquarters that he had been elected, but that the result of the senatorial race in that state still was in doubt.

The republicans have gained 41 and lost 6 members of the house of representatives and have gained 7 senators as against a loss of 1—Weeks, of Massachusetts—according to the republican national committee. The republicans said these estimates are based on "absolute and definite returns" from the states.

Following are the detailed gains in the house, as claimed by the republicans: Pennsylvania, 3; Colorado, 2; Delaware, 1; Indiana, 13; Kansas, 4; 1 doubtful; Kentucky, Maryland, Michigan, 1; Missouri, 3; Nebraska, 3; Ohio, 5; New York, 3 gained and 5 lost; Washington, 1, and Wisconsin lost 1.

They claim republican senators in these states: New Hampshire, Delaware, Illinois, Kansas, Missouri, Idaho and Colorado.

The democrats claimed to have won in the senatorial fights in these states: Massachusetts, Missouri, Oregon, Kentucky, Montana, Nevada and Idaho. The following states are doubtful, they said: Colorado, New Mexico, Wyoming, New Jersey, New Hampshire and Delaware.

Indiana Republican.
Will Hays, chairman of the republican national committee, wired the headquarters here shortly before noon that Indiana would send a solid delegation of 13 republicans to the house, or a gain of 4; Ohio's delegation would consist of 15 republicans, 7 democrats, a gain of 5 that Kansas would stand 7 to 1, and that Nebraska and Iowa would send solid delegations of 6 and eleven, respectively. Minnesota, Hays said, had returned 8 republicans to 2 democrats; Connecticut 4 to 1, and Rhode Island all three.

With 486 districts missing, Smith was leading Whitman by 32,000 in the New York gubernatorial race, according to figures compiled at the democratic committee this afternoon.

Close Finish.
Detroit, Mich., Nov. 6.—At 1:30 this afternoon, complete returns from twenty-nine counties and partial returns from forty-three of the eighty-three Michigan counties gave Newberry, republican candidate for United States senator, 161,433; Ford, democrat, 160,176; Newberry making a slight gain in the upstate counties. The above figures include 327 precincts out of 359 in Wayne county (Detroit), which gave Ford 51,642; Newberry 28,989.

In fifty-six out of eighty-three counties, incomplete, the count for governor now stands: Sleeper, republican, 82,394; Bailey, democrat, 48,028. This includes 322 precincts out of 359 in Wayne county, which gave Sleeper 42,830; Bailey 36,826.

In fifty of the eighty-three counties the vote on woman suffrage now stands: Yes, 50,012; no, 42,074.

Revolts in New York.
New York, Nov. 6.—A certain majority of five in the United States senate was claimed by the republican national committee in an official statement issued here this afternoon.

"We have a certain majority of five and possibly six, in the United States senate."

"Before the election the senate stood democrats, 52; republicans, 44. We carried and made a gain of one each in the following states: New Hampshire, Delaware, Illinois, Kansas, Idaho, Colorado, Missouri and Montana."

"We lost one in Massachusetts, which reduces our gain to seven."

"Kentucky is still in doubt, with the odds favoring the republicans."

"Nevada also is still in doubt and the chances there are fifty-fifty."

Boise, Idaho, Nov. 6.—Incomplete returns indicate that Senator Borah, republican, has been returned to office by a safe majority. Indications generally are for a sweeping republican victory throughout the state, both in congressional and state offices.

Frank E. Gooding, republican, has apparently won the short term in the senate over John F. Nugent. The election of Burton L. French, republican and Addison T. Smith, republican, as representatives in congress, is assured.

J. Ham Defeated.
Chicago, Nov. 6.—Congressman McDill McCormick has been elected United States senator, defeating Senator James Hamilton Lewis by a estimated plurality of 50,000, although in Cook county, Lewis led by a plurality of 45,000, a down-state lead made by McCormick of more than 100,000 gave him the election.

Walsh Elected.
Boston, Nov. 6.—For the first time since the days before the Civil war, Massachusetts has elected a democratic United States senator. Practically complete returns today showed that former Governor David I. Walsh was chosen in yesterday's election over United States senator John W. Weeks. Walsh's plurality was about 17,523 votes. Weeks had served one term and sought re-election.

**MILWAUKEE SOCIALIST
CANDIDATE INDICTED**

Victor L. Berger, former Congressman from Milwaukee, and prominent socialist who was indicted recently by the federal grand jury on charges of violating the espionage act, has been released on bonds of \$10,000. Berger pleaded not guilty when arraigned before Judge F. A. Geiger. He was indicted on thirty-six counts. He is a candidate for congress in the First Milwaukee district.

NINE STATES DEMOCRATIC

Southern Districts Return Usual Majorities.
Atlanta, Ga., Nov. 6.—The nine southern states east of the Mississippi river, normally democratic with the exception of two republican districts in Tennessee and one in Virginia, returned their usual democratic majorities in yesterday's election, according to latest reports today. All democratic senators were elected, and in the lower house seventy-six democrats and three republicans were returned; the latter coming from the First and Second Tennessee districts, where republicans have held seats almost without a break since the Civil war, and in the Ninth Virginia, where Representative Slomp, republican, had no opposition.

Democrats had opposition in three other states—Alabama, Georgia and North Carolina—but sufficient returns had been received today to show that Representatives Huddleston, Burnett and Blackmon, the three Alabama democrats opposed for congress, had been elected, while in Georgia William J. Harris, former chairman of the federal trade commission, appeared to have snowed under G. H. Williams, his republican opponent for the United States senate. Representatives Bell and Lee, Georgia's two democratic congressional candidates who had opposition, were safely elected.

The sharpest contests in North Carolina were in the Third, Fifth, Eighth and Tenth districts, the latter having more than once sent a republican to congress. All reports today agreed on a solid congressional delegation from North Carolina.

Democrats had no opposition for congress in Louisiana, Mississippi, South Carolina and Florida, nor in Tennessee and Virginia except for two districts in Tennessee and one in the Old Dominion state.

Louisiana, returns made almost certain, refused to grant suffrage to her women voters. Florida, the only other southern state voting on constitutional amendments of more than state-wide importance, was added to the "bone dry" column, effective Jan. 1, 1919, the voters substituting that for local option.

All the democratic state tickets were successful.

ARMY VOTE TO DECIDE

Big Lead Polled Up by Smith in New York Cut Down.
New York, Nov. 6.—The final result of the contest for the governorship and other state offices in yesterday's election remained in doubt early today. Missing up state districts, which are normally republican, were gradually cutting down the big lead rolled up by Alfred E. Smith, democrat, in New York, and indications were that the winner would be determined by the soldier and sailor vote. With the city complete and 550 districts missing up state, Smith had 568,231 votes and Gov. Whitman 528,693.

The next assembly will be republican, although by reduced majorities. Only one woman was successful in her race for office.

In the First assembly district, Mrs. Ida B. Sammis, republican, defeated her democratic opponent, Walter L. Stillwell.

The next congressional delegation from New York will be made up of 23 democrats and 19 republicans. The one socialist in the present delegation, Meyer London, was defeated by Henry M. Goldfogel, democrat, running with republican support.
